

PERSPECTIVE PLAN | 2014 to 2019

MUNICIPAL ARTS AND URBAN BANK SCIENCE COLLEGE, MEHSANA

PERSPECTIVE

PLAN

2014 TO 2019

VISION:

To highlight the social, educational, literary, cultural, industrial and economic identity of North Gujarat by means of college and produce integrity-driven individuals and socially responsible persons.

MISSION:

To emphasize on all round development of the students so that they become good and worthy citizens of the nation.

To treat every student as an individual; recognizing his potential and ensuring that he receives the best training for achieving his career goal.

OBJECTIVES:

- * To organise literary and cultural activities whereby the personality development of the students could be achieved and undertake research in this direction.
- * To enable students to express their ideas in an original manner and to undertake such activities as to create a congenial educational atmosphere for students.
- * To enable students to make self-assessment and recognise their responsibilities and independence, utilise their energy for the reconstruction of society and become a link for national advancement by organising appropriate activities.
- * To engage students in research activities and to enable them to reach research-based conclusions and findings.
- * To organise a variety of activities to achieve the fundamental goals of higher education and to provide the laboratory and the library as well as the departments with the latest equipment.
- * To provide the students with proper training in sports and games and facilities for physical training so that they may achieve high standards in this field.

In addition to the activities that the institute carries out to fulfil its vision and mission, the following goals have been recognized to be given special attention in the perspective plan:

1. Widen educational areas
2. Strengthen the student support system

3. Enrich the students experience
4. Strengthen research activities
5. Conduct eco-friendly activities
6. Enrich the infrastructure
7. Enhance alumni engagement
8. Develop a cleaner and greener campus

1. Widen Educational Areas

Municipal arts and urban bank science college, Mehsana was started in 1964 with the aim of providing higher education to the rural masses. Today, the institution has under graduate and post graduate courses in Arts and Science streams with research centers affiliated to the Hemchandracharya North Gujarat University, Patan. As the institution is located in semi-urban area, it explores some specialized programmes to address the needs of the local area.

Action Points.

- Start new postgraduate programmes.
- Enhance the facilities for research in the college.

Targets

- Initiate new postgraduate programmes in Mathematics and Physics.
- Establish new Research laboratory in Chemistry department.

2. Develop the Internal Support System

Municipal arts and urban bank science college, has developed notably with 3000 plus student strength. The intricacy of its' activates has increased considerably. The organizational load of the staff and faculty for conducting curricular, co-curricular and extracurricular activities, purchasing of items, organizing seminars, conferences and workshops as well as conduction of examinations is noteworthy. The institution will avail adequate staff for the maintenance of excellence.

Action Points

- Simplification of processes by adopting user friendly online systems.
- Initiate the process of recruitment of qualified staff in the institution.
- Conduct training for faculty and staff.

Targets

- Implementation of online form filling admission system
- Recruitment of Teaching and non-teaching staff having the economic burden on the Institution.
- Encourage faculty to participate in Faculty development programmes.

3. Enrich Student Experience

The institution runs various basic and professional courses. The students if provided with live experience in their respective subjects, would help the students to understand the contents thoroughly. In addition, this approach will boost the students' confidence and it will also help them to face the new challenges of the real world. In this regard, an opportunity of getting hand on experience will be provided to the students.

Action Points

- Provide coaching for NET/SLET Examination.
- Students will be given an opportunity to go for ground truth verification.
- Enhance the facilities of NSS/NCC

Targets

- Every Year arrange NET/SLET Coaching class regularly
- Educational and study tours of students will be organized.
- NSS/NCC units are reinforced for various activities related to the welfare of the society.

4.Strengthen Research Activities

Though the institution is located in the semi-urban area, the management has always motivated to the faculty and students for conducting the research activities. The institution has nine research supervisors in their respective subjects. Faculty is always encouraged to select the thurst areas for the conduction of research by considering the local needs. With this background, the research activities will be strengthened in the institution.

Action Points

- Develop the culture of research in the campus.
- Establish coordination among the departments for boosting the interdisciplinary research.

Targets

- Increase in the number of major and minor research projects
- Organize State, National and International level seminars, conferences and workshops.
- Establish the new research centers.
- Increase number of research publications by faculty.
- Strengthen the research culture.

5. Conduct Eco-Friendly Activities

Conduction of eco-friendly activities is the need of the hour. The institution has always encouraged such activities. Efforts will be made to conduct the activities which will be helpful to enrich the quality of environment.

Action Points

- Resource conservation.
- Increase the use of renewable energy.

Targets

- Develop a rain water harvesting system in the college.
- Conduct the programme of Tree Plantation every year.
- Tube Lights are replaced by LEDs.

6. Enrich the Infrastructure

Availability of sufficient and quality infrastructure in any institution strengthens the quality of output. The infrastructure available in the institution is adequate. However, there is a need of its up gradation. Efforts will be made in this direction.

Action Points

- Provide better health facilities to the students.
- Enrich the laboratories and central library of the college.

Targets

- Primary Health center is upgraded.
- Purchase of laboratory instruments.

- New R.O. water plants to be installed.
- Renovation of Seminar Hall/ Toilets/CWDC room.

7. Enhance Alumni Involvement

As a key stakeholder, alumni play an important role in the development of any educational institution. Achievements of alumni have been a basis of satisfaction for the institute. Alumni of the institution have significantly contributed in the society. Two way interactions with the alumni can generate innovative ideas useful for the development of the institute.

Action Points

- Create a strong alumni data base to build a strong relationship with alumni.
- Enhance the interactions between alumni and management, alumni and faculty, alumni and students etc. for curriculum development and for availing the alumni support in the process of the students' placement.
- Engage alumni in sharing their experiences.

Targets

- Arrange alumni visits to the campus by inviting them as a Guest of Honour in Co-curricular and EXTRA-Curricular activities.
- Organization of annual day specially dedicated to Alumni.

8. Develop a Cleaner and Greener Campus

A spacious well equipped lush green campus with strong students supporting infrastructure is the most distinctive characteristics of the institution. The institute is dutiful to develop a model clean and green campus.

Action Points

- Increase the students' involvement in planning and maintenance of campus.
- Monitor the quality of campus.

Targets

- Tree plantation campaign.
- Adopting Shun Plastic campaign as a best practice.
- Install a fountain in the botanical garden with recycling of water.
